The Causeway Club greatly values their members. Our membership is composed of individuals, couples, and families who are vibrant and committed residents and appreciate the sense of community that the club strives for. It is essential, in order to maintain both financial viability and fees at reasonable levels, that we maintain membership participation. We welcome new members and encourage and rely upon our present members to recommend new candidates to join this great club.

The Membership Committee has simplified the application process for new membership at the Causeway Club, to make it more efficient for new members and their sponsor. Our intention is to make joining the club a user friendly process for both new members and their sponsors.

Your role as a sponsor is valued and appreciated. Please take the time to inform your candidate about the club and the steps to complete the membership application forms. Questions from a prospective member regarding the club may be directed to our General Manager, Jennifer Worcester.

Jennifer may be contacted through the club office at (207) 244-7220 or [gm@thecausewayclub.org](mailto:gm@thecausewayclub.org)

Also, you and prospective members may enjoy and see all that we have to offer our new members, on our web-site at [www.thecausewayclub.org](http://www.thecausewayclub.org).

Enclosed is an application form, to be completed by the applicant, a sponsor form, to be completed by a member, and fee structure for the club. Please make sure all forms are filled out completely, and return forms to the office via mail, e-mail, or in person.

The office will contact the new member shortly after the completed application process has been received.

Please feel free to contact me should you need any additional information or have any questions about membership.

Sincerely,

Alison M Hastings  
Membership Committee Chairperson
